MEMORANDUM FOR: Mr. John Parangosky

SUBJECT : Meeting with NRO on OSA Contracting Techniques

1. The NRO Comptroller,  has requested a meeting with representatives of OSA on Friday, 6 December 1963, at 1000 hours to discuss our contracting techniques, procedures, and records. The meeting is to be held in the OSA Conference Room. It may cover not only policies on our contracting, but also specific commitments, obligations and purchases.

2. We should be ready to point out the problems encountered with quarterly funding reviews and the resulting difficulties in management control and funding reports. In addition, comparison of OSA techniques with standard ASPR methods probably will be involved. It is especially important that this meeting be used as the opportunity to present our case against quarterly funding.

NRO review(s) completed.
